

SBD Meeting OETA Studio Tulsa Oklahoma 6-25-2026

Roger Newton – President of Chapter 56

Called to order 12:13

Minutes from last meeting read and approved.

Treasurers Report: Current balance \$5319.15, Expenditures \$163.87 May Lunch. Treasurer report approved.

< and > 1gig nothing to report

Certification exams: certification are being promoted and is highly recommended.

EAS: RWT will be sent from KRMGs FEMA box in next couple of weeks. It will have a different call sign. Software based EAS boxes are being discussed at FCC.

Old Business: None

New Business: Need to get more people to the meetings.

Program: Disaster Recovery

Knowing how to get back up on the air depends on the type of disaster. Roger is working on getting first responders credentials for access to our sites during disaster. OAB will notify the county sheriffs offices so they will be informed we are authorized. To get the credentials you will have to get training online from FEMA.

Tip: Make sure your fuel supplier is not putting Biodiesel in you generator tanks.

Syber security webinar coming up July 9th.

Next meeting 23rd July, then August 27th.

Adjourned 12:40p
