

SBE Meeting OETA Studio Tulsa Oklahoma 7-23-2026

Roger Newton – President of Chapter 56

Called to order 12:24

Motion to dispense with the business portion of the meeting. Approved.

Program: Whitehouse Communications Agency - Roger Newton

The Whitehouse Communication Agency was originally created after WWII by President Roosevelt. When it was created it was the Whitehouse Signal Corps. There are currently 1400 people working with the WCA. Roger worked for the WCA for 8 years while he was in the Army. He recounted several stories of his time at the agency. For instance, he designed and installed the 1000 outlet cable TV system in the Whitehouse. He also worked for a time at Camp David with the WCA

Next meeting will be August 27th.
